

LANGSTON ELEMENTARY LEADERSHIP ACADEMY

GRADES PRE-K-6

The Mission of Langston Elementary Leadership Academy is to ensure that we enrich the lives of our students and staff with high levels of learning, respect, and community awareness. Langston is one of the most historic sites in Garland County. Langston is also now the location of the HSSD's newest state-of-the-art facility, officials having just completed construction on an expansive two-story school and grand campus area in August, 2019.

As a Leadership Academy Magnet School, we focus on community awareness, communication, health and wellness, environment, service, and hospitality.

VISION

Langston will ensure that all students achieve academic excellence and have the knowledge, skills, and drive to accomplish great dreams.

COLLECTIVE COMMITMENTS

- » Support students and staff as they work toward higher expectations while fulfilling their potential.
- » Encourage families and staff to engage in promoting opportunities for improving health and wellness.
- » Provide each student with a safe, nurturing, and enriching environment while teaching respect and responsibility.
- » Prepare each student to become critical thinking problem solvers, lifelong learners, leaders, and productive citizens in our community.
- » Promote respect, pride, and unity within all communities.
- » Utilize a variety of strategies to set high expectations for all.

LEADER IN ME SCHOOL

The Core Values that we promote in our students include:

- » Be Proactive.
- » Begin With the End in Mind.
- » Put First Things First.
- » Think Win-Win.
- » Seek First to Understand, Then to be Understood.
- » Synergize. Sharpen the Saw.
